

18TH OCTOBER 2019

WEATHERTEX NEWEST DISTRIBUTOR IN NEW ZEALAND

Effective from 1st December 2019, Weathertex is excited to announce ITI Timspec as our newest exclusive distributor within the New Zealand market.

This decision was made as Gunnensen's New Zealand will cease trading at the end of 2019 after being in the market for over 10 years.

Weathertex understand the importance in providing our customers with the highest level of service and both Gunnensen and ITI Timspec are committed in delivering a smooth transition during this time.

For information on current orders please continue to contact your Gunnensen representative. For future orders, product or general Weathertex information please contact ITI Timspec on 0800 484 695 or visit our website www.weathertex.co.nz.

Jason O'Hagan
