

Pioneer

GFR | GLASS FIBER REINFORCED

REAL WOOD REPLICATED IN A REINFORCED PVC COMPOSITE

The Pioneer range is advancing composite aesthetics with high-resolution digital replications of timbers. A foamed-PVC and glass fiber-reinforced core provides increased strength and span capability and reduces expansion and contraction of the PVC. Its advanced wear layer and composition protect against fading, scratches, moisture, and stains.

TAKE HOME THE BENEFITS

REALISTIC AESTHETIC

Advanced digital replication of real wood for an exceptionally natural look

ECO-FRIENDLY

Prevents deforestation by capturing the beauty of real timbers without felling

SLIP RESISTANT

Reliable slip resistance properties

INCREASED SPAN

Reinforced for improved strength & span capability

MORE STABLE

Less movement from expansion & contraction

WEAR LAYER

Wear layer offers protection against stains, scratches and fading

DECAY RESISTANT

Long-lasting & resists insects, moisture, & weather

LOW-MAINTENANCE

Only basic care required for optimal longevity

Technical Data Sheet

Installation Guide

GROOVED BOARD

Dimensions	145 x 21 mm (5.45 m lengths)
Weight	2.2 kg/m
Recommended Joist spacing	450 mm centre to centre* <i>*Please refer to the technical documents for more information on spans and loads.</i>

STARTER BOARD

Dimensions	145 x 21 mm (5.45 m lengths)
Weight	2.6 kg/m
Recommended Joist spacing	450 mm centre to centre* <i>*Please refer to the technical documents for more information on spans and loads.</i>

COLOUR SELECTION

The Pioneer colour range celebrates the beauty of timber with exceptionally natural looking composite. Pioneer offers state-of-the-art high-resolution digital print technology and scans of real timber to give each board an unrepeated realistic wood grain texture. This technology mirrors the hues and tones of specific timber types.

HULK FASTENERS.

Compatible with Chain collated clips

Uses HULK composite top fixing screws on non-grooved edges

chain
COLLATED CLIP HAND TOOL

chain
Collated decking clip

Available with pre-loaded screws for timber or metal

Collated system comes pre-loaded with screws for quicker installation. Works with timber & composite boards of variable thickness & groove depths.
